

CONGRATULATIONS!

Thank You Nutrition and Physical Activity Self Assessment for Child Care (NAP SACC) Participants!

The Monroe County Health Department was one of five sites in Michigan chosen to implement the Nutrition and Physical Activity Self Assessment for Child Care (NAP SACC) program.

The Health Department provided technical assistance and hosted workshops discussing role modeling of healthy nutrition and physical activity practices.

All participants were required to complete a self assessment of their current practices related to nutrition, physical activity, and screen time, and to set goals related to improving their current policies following the workshop.

Thank you to the following providers who participated in NAP SACC 2017:

- A Perfect Start Childcare
- Bedford Child Development Center
- Carleton Country Day School
- Community Christian Preschool
- Dawn's Day Care
- Denise Kruger's Childcare
- Dundee Child Care Center and Preschool
- The Growing Tree Preschool
- Happy Days Day Care
- Leslie Chamber's Childcare
- Little Angels Child Care of Dundee
- Little Friends Childcare
- Little House of Hugs
- Little House of Hugs—Baby Hugs
- Live, Laugh, & Learn Childcare
- Lots of Love Daycare
- Meadow Montessori
- Oodles of Love Daycare
- St. Michael School
- Tina Blanchard's Childcare
