SITE PLAN
Proposed On-Site Water Supply

Property Address: _____ Township: _____
Tax I.D. Number: _____ Permit Number: _____
Property Owner's Name: _____
Property Owner's Address: _____

Draw and show the relative location and exact distance of the following facilities for the property referenced above:

1. Lot lines
2. Proposed or existing buildings or structures
3. Proposed or existing wells and water lines
4. Proposed or existing on-site sewage disposal systems with component parts, including a reserve area for replacement field
5. Proposed or existing municipal sewer system with component parts
6. Storage tanks (above-ground, below-ground, or in basement)
7. Underground utilities including easements
8. County drains and drain easements, fields under cultivation and animal/poultry yards
9. Agricultural chemical/fertilizer storage or preparation areas
10. Surface waters
11. Driveways
12. Proposed well location

If any of the facilities referenced by number 4, 5, 6, 8, 9 or 10 are located within 150 feet of the proposed well location, on an adjacent property, they are to be located on this site plan.

I hereby submit this site plan with the understanding that the information I have provided will be used to properly locate the well on this property. I have supplied the information requested above and attest to the accuracy and completeness of the information provided.
