Hon. Michael C. Brown
Chief Judge
1st District Court
106 E. First Street
Monroe, MI 48161

Judge Brown,

I am writing to formally acknowledge and approve the 1st District Court's request for an extension to implement amendments of MCR 4.201, as presented in your letter dated October 11, 2023.

This extension, which extends the original implementation deadline of November 6, 2023, to the new deadline of December 6, 2023, is to provide the 1st District Court additional time and flexibility to create an effective and thorough implementation process.

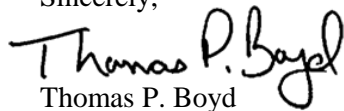

We trust that your team will utilize this extension judiciously, ensuring that the implementation process proceeds in a manner consistent with the standards set forth by the Michigan Supreme Court's amendments of MCR 4.201. This includes making the public aware of the extension, which you have indicated will be accomplished by:

- Posting a notice to the 1st District Court's website.
- Mailing and/or emailing a notice to the groups listed in MCR 4.201.
- Posting a notice on the doors of the courthouse.

If you require any additional support to facilitate the extended implementation, please do not hesitate to contact your regional administrator. The State Court Administrative Office is fully committed to supporting your efforts to the best of our abilities.

We look forward to the successful implementation of the rule amendments and the continued enhancement of court's operations.

Sincerely,

Thomas P. Boyd
State Court Administrator
